

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf from an old book. The paper has a slightly textured appearance with some minor discoloration and faint stains, particularly along the top edge. A vertical line runs down the left side, creating a margin. Several horizontal lines are spaced evenly across the page, suggesting it was once part of a ledger or a notebook. The overall tone is a warm, off-white or light beige.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor discoloration and small dark spots, possibly due to age or handling. A vertical crease is visible near the left edge, and the binding edge of the book is partially visible on the far left.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are some faint vertical lines near the left edge, possibly from a binder or margin. The paper appears slightly aged or off-white.
